Quality Care Starts Here

Our employees go through 16 hours of basic training and must:

- Complete an FBI Background Check
- Have a current and complete physical
- Be CPR Certified
- Have completed a 2-Step TB Test

Our PCA's give quality care!

We are Compassionate

Our compassion gives our clients and families peace of mind in knowing we treat with respect, dignity, and quality.

We Help With

- Bathing, Dressing and Grooming
- Light House Keeping
- Cooking Meals
- Assisting with Eating
- Grocery Shopping**
- Picking Up Prescriptions**
- If you need a beautician to come to your home, please make arrangements with family

** Please arrange 1-2 days in advance

Caregivers car insurance does not cover client coverage. If you need a ride to a doctor or other places, please arrange something with family or your medical insurance.

Your caregiver can go with you if you arrange the time with AC Personal Care 2-3 days in advance so caregivers time will be accounted for.

Please also check with the office if you need any errands done.

Our office must keep track of all hours for insurance.

Confined to a bed or have problems with performing hygiene duties?

We assist with bed baths, skin care, oral hygiene, linen changes and light laundry.

If you need to be fed, we feed you with respect and tender loving care.

We are your companion and we do our job because we care!

We want to help you live a healthier life.
